**7 Habits:** Stephen Covey has dedicated his life to demonstrating how everybody can truly control their destiny with profound, yet straightforward guidance. The 7 habits has been known as the top notch program by leading firms worldwide including world leaders and heads of state. 50 million copies of Covey's works have been sold and translated into almost all major languages of the world. Along with numerous accolades to his credit he is recognized by Time Magazine as the 25 of America's most influential person's, this includes the likes of Abraham Lincoln, Dr. Martin Luther King and Benjamin Franklin. The "7 Habits" is an "interactive fun filled workshop" supplemented with a complimentary take home video of a collection of Covey's classic presentations. We assure significant to major paradigm shifts in team work and fresh perspectives in proactive development and mutual inter-dependence. Bringing fresh perspectives and unconventional solutions to challenging issues!

**5S System:** Is established and used by TPS (Toyota Production System). Many professionals also use it to effectively manage their performance. Be it at the office desk, work place or home, 5S is surely a fantastic and proven tool to organize yourself and improve your productivity. Simply stated, it simplifies things! All delegates get a copy of the 5S System video and other videos mentioned in the workshop guide.
